Jonah 1: 1-6, 11-17 (NIV)

¹ The word of the LORD came to Jonah son of Amittai: ² "Go to the great city of Nineveh and preach against it, because its wickedness has come up before me."

³ But Jonah ran away from the LORD and headed for Tarshish. He went down to Joppa, where he found a ship bound for that port. After paying the fare, he went aboard and sailed for Tarshish to flee from the LORD.

⁴ Then the LORD sent a great wind on the sea, and such a violent storm arose that the ship threatened to break up. ⁵ All the sailors were afraid and each cried out to his own god. And they threw the cargo into the sea to lighten the ship. But Jonah had gone below deck, where he lay down and fell into a deep sleep. ⁶ The captain went to him and said, "How can you sleep? Get up and call on your god! Maybe he will take notice of us, and we will not perish."

¹¹ ... they asked him, "What should we do to you to make the sea calm down for us?"

¹² "Pick me up and throw me into the sea," he replied, "and it will become calm. I know that it is my fault that this great storm has come upon you."

¹³ Instead, the men did their best to row back to land. But they could not, for the sea grew even wilder than before. ¹⁴ Then they cried to the LORD, "O LORD, please do not let us die for taking this man's life. Do not hold us accountable for killing an innocent man, for you, O LORD, have done as you pleased." ¹⁵ Then they took Jonah and threw him overboard, and the raging sea grew calm. ¹⁶ At this the men greatly feared the LORD, and they offered a sacrifice to the LORD and made vows to him.

¹⁷ But the LORD provided a great fish to swallow Jonah, and Jonah was inside the fish three days and three nights.

SPECIAL EASTER OFFERING

Our special EASTER offering will go to the

Campaign for Crandall University

"The current academic building, constructed to handle 450 students, now struggles under the weight of over 800! ABU's classrooms are simply too full! With a limited amount of classroom space and a finite number of resources, both human and otherwise, it has become virtually impossible for the university to maintain the year-over-year growth record it has previously enjoyed.

The demand of values based ABU education has never been stronger. This presents a real opportunity for continued growth. We dare not miss this opportunity to advance our mission of transforming lives through "quality university education firmly rooted in the Christian faith" because of inadequate facilities. This is why Crandall is choosing to grow now."
